Subject: Appeal of USAC Funding Decision - Docket 02-6

Request for Review

Request for a Waiver

We are requesting an Invoice Deadline Extension for FRN 2787718 of form 471 # 1026719.

This was previously requested to USAC and it was denied because it was filed passed "the last day to invoice".

We are requesting a waiver as the reason this was overlooked was because all other FRNs of this funding year has an Invoice Deadline of 12/21/2017. FRN 2787718 is the only FRN that had an Invoice Deadline of 9/29/2017.

In addition, failure to grant us an Invoice Deadline Extension will result in an extreme hardship for the school. As a private non for profit school district with an over 90% poverty rate we rely on the e-rate funding.
